Karutari Network is a Rose producer and largest rose exporter of India. The company was initially set up as Karuturi Floritech in Doddaballapur, near Bangalore with an annual capacity to process 12 million premium cut roses at its state-of-the-art facilities.

In addition to cut roses, the company also supplies cut rose products such as rose plants, coco peat and coco cups to customers across over 15 countries including Holland, Germany, United Kingdom, Italy, Singapore, Taiwan, Bahrain, Muscat, Dubai, Australia, Japan, New Zealand, Brunei and across North America.

The company has posted very good results **200% Y-O-Y rise in profit and Sales turnover**. On top of that Earning per share (EPS) has increased 137%. Company with a robust growth and unique business and monopoly in its sector is undervalued at this level.

Hence we strongly recommend you to buy 1000 shares in this stock at current market levels.

**Please confirm your Order ASAP.**
